

ASSOCIATION HALL OF FAME

Bob Fasbender

Chairman 16" Hall of Fame
1020 Sunset Lane, Carroll, Iowa 51401

The Iowa Softball Association Hall of Fame was established in February 1972 by ASA Softball Commissioner Ron Findley to honor those outstanding players, and non players, male or female, who through their efforts helped establish the game of softball as one of the three most active amateur sports in the world.

To qualify for the Iowa Softball Hall of Fame one must have been a player of extraordinary ability or a non-player who has contributed outstanding service to the sport. In either case, facts, newspaper clippings and all other possible information must be submitted to the committee along with the nomination. (A mere nomination blank will gain you nothing.) No matter how good one may have been, only the proven facts will be considered by the committee. In other words, it is not an easy task to attain "The Hall", and this is the way it should be.

IOWA MEN'S 16" SLOW PITCH HALL OF FAME
