IOWA ASA CASUAL PROFANITY/UNSPORTSMANLIKE "TEAM OUT" RULE

Casual Profanity Rule - The umpire has the authority to assess ONE OUT per play against the offending team for the use of CASUAL PROFANITY which shall be defined as expletives (Vulgar or Profane Language), which is not appropriate in a recreational sports setting, used by a player, manager/coach or team representative on the field or in the dugout. Words are not directed at any one individual, but rather are made out of frustration or loss of self-control. In the opinion of the umpire, if these words are audible to the umpire and surrounding players or spectators to the extent that it detracts from the values of softball competition based on good sporting behavior and fair play, the umpire may assess a Casual Profanity Out. Actions of players and/or coaches during the teams final out of their term at bat and/or prior to them taking the field on defense shall be carried over to that teams next term at bat. Actions of players and/or coaches during pre-game activities, which occur after the umpires have entered the field of play, will be enforced during the teams first term at bat. All outs (charged either while on offense or defense) will be assessed against the offending team during their term at bat. Only ONE "Casual Profanity" out may be assessed per play with a maximum of two (2) per term at bat. Incidents of vulgar or profane language exceeding these limits will subject the individuals to ejection from the game for unsportsmanlike conduct. A player ejected from the game for exceeding these limits will not have a casual profanity out charged to the TEAM. The Casual Profanity penalty "out" will be assessed as a TEAM OUT and will not affect any batter or base runner (all action stands). For scoring purposes, the putout will be credited to the catcher.

Sportsmanship Rule - The umpire has the authority to assess one out per play against the offending team for excessive protests, arguments, complaints or behavior not appropriate in a recreation sports setting. Throwing a bat, glove, rude gestures, insulting or disparaging remarks, or baiting or taunting opposing players or game officials would be examples of such actions. Such conduct exhibited by a player, coach or team representative will be penalized. Actions of players

and/or coaches during the teams final out of their term at bat and/or prior to them taking the field on defense shall be carried over to the teams next term at bat. Actions of players and/or coaches during pre-game activities, which occur after the umpires have entered the field of play, will be enforced during the teams first at term bat. All outs (charged either on offense or defense) will be assessed against the offending TEAM during their term at bat. Only one "unsportsmanlike" out may be assessed per play with a maximum of two (2) per term at bat. Incidents of continued or excessive unsportsmanlike conduct will subject the individual(s) to ejection from the game. A player/coach/ or team representative ejected from the game will not have a un-sportsmanship out called against them. The Unsportsmanlike penalty "out" will be assessed as a TEAM OUT and will not affect any batter or base runner (all action stands). For scoring purposes, the putout will be credited to the catcher. * For the purposes of these rules a Play refers to the duration of one players time at-bat and a teams Term at-bat refers to a teams half-inning, which begins when the third out of the previous inning is made and continues until the third out of the team at-bat occurs.
